Best Practices – Better Life | 14th European Congress of Mental Health in Intellectual Disability | 21–23 September 2023 | Helsinki, Finland

The 14th EAMHID Congress themed “Best Practices – Better Life” will be held in Helsinki, Finland on September 21–23. The congress will provide numerous possibilities for the professional community to encounter and discuss; the common goal is to increase knowledge and share best practices to improve life of people with intellectual disabilities. The main congress language is English, but a professionally interpreted Finnish track is also available.

We welcome submissions related to intellectual disabilities and mental health from researchers, practitioners and co-productive projects.

Deadline for **abstract** submission is 31.3.2023. Available formats are oral presentations, roundtable discussions, solicited and co-productive symposia.

We also welcome scientists to present their findings as a **poster**. The best poster will be awarded by the scientific committee with a three year free EAMHID membership and will have the opportunity to present their findings at the auditorium of the conference. The deadline for poster submission is 30.6.2023.

You can find **detailed instructions** about how to submit your abstract or poster at eamhid.eu/abstract-submission

Finally we want to encourage you to submit a **dissertation**. To be eligible the dissertation has to

be defended between July 2021 and June 2023. Submit the dissertation by sending it in PDF format to scientific.committee@eamhid.eu, deadline is 30.06.2023. The scientific committee will award the best dissertation with a five year free EAMHID membership. You will have the opportunity to present your work at the auditorium of the conference.

Hybrid Format!

The congress is held in a hybrid format, so even if you can't join us in person, you can present online!
